AWMAC WEBSITE ANNOUNCEMENT

The Architectural Woodwork Manufacturers Association of Canada Board of Directors and Website Committee would like to announce the launch of the new AWMAC National Website at www.awmac.com on Friday February 5, 2010. The website went through a major revision and includes a Calendar, Blog and Member Forum.

The **Calendar** is designed to assist our Partners and Member to incorporate AWMAC activities, time and commitments in their agendas.

The **Blog** will have regular entries of commentary, sharing of Partner and Member information and descriptions of events.

The **Members Forum** is the AWMAC communications tool, which will coordinate and keep a record of online discussions.

The AWMAC Chapters are set-up to organize, administer and populate their own chapter websites within the www.awmac.com domain.

The AWMAC Website Committee thanks the AWMAC membership for their help and input and are looking forward to receiving your comments and feedback at info@awmac.com

Cheryl DePape has been appointed AWMAC webmaster for the newly launched website. Please keep her up to date on your Chapter events. She can be contacted by email: cdepape@sasktel.net

CONVENTION 2010

This year the AWMAC National Convention and Annual General Meeting will be hosted by the Northern Alberta Chapter. The Convention will be held at the Jasper Park Lodge which is nestled in the magnificent Rocky Mountains just outside Jasper Alberta. Golf will be held the morning of Thursday May 20, 2010 and the festivities wind up with the President's Ball on Saturday May 22, 2010. The Jasper Park Lodge has extended the Convention rate three days before and three days after the convention, subject to availability.

If you have not as yet received your invitation to Convention or would like to sponsor an event, please visit the website and click on the "Convention" button to download your copy of the registration or sponsorship packages. Registrations must be received by March 31, 2010.
