ABOUT AWMAC

As the National voice of the architectural woodwork industry in Canada for 50 years, AWMAC is comprised of more than 400 companies and industry professionals in eight regional Chapters across Canada who share the vision of continually designing, engineering, manufacturing and installing the highest quality of architectural woodwork.

AWMAC promotes long-term growth and financial stability for the diverse woodwork manufacturing sector.

AWMAC's membership includes architectural woodwork manufacturers, installers, material and service suppliers, design professionals, media and educational institutions.

AWMAC PROGRAMS AND SERVICES

AWMAC's unique programs and services are building the standards for the architectural woodwork industry in Canada. Some of our programs and services include:

- **AWMAC'S STANDARDS MANUAL**, a comprehensive and forward-focused industry standard for use by design professionals, building owners, contractors, fabricators, installers and educational institutions.
- **AWMAC'S GUARANTEE AND INSPECTION SERVICE (GIS)**, guarantees architectural woodwork meets or exceeds AWMAC's Standards.

The GIS supports your projects with AWMAC Certified Inspectors, from the initial shop drawings to final installation...and, best yet, assures customer satisfaction.

- **EXPERT OPINION SERVICE**, for clients who are not satisfied with the supply and installation of the architectural woodwork on a project – with an objective report issued after inspection.
- **CONSULTATION SERVICE**
- **LUNCH AND LEARN SEMINARS**

AWMAC MEMBERSHIP CATEGORIES

MANUFACTURER MEMBERS ENHANCE EFFICIENCY. ENSURE STANDARDS. BUILD PROFIT.

Those are just some of the motivating factors for those who have become AWMAC Manufacturer Members. All our Manufacturer Members are educated in the industry and have successfully completed AWMAC's Manufacturer Standards Questionnaire. It gives them the cutting edge they need to succeed.

A Manufacturer Member is a person, partnership or corporation that operates a facility that manufactures architectural woodwork as defined by **AWMAC'S STANDARDS** (the North American Architectural Woodwork Standards manual).

Our Manufacturer Members are trusted as industry leaders. That gives them the power to bid on better jobs, and build profit.

ASSOCIATE MEMBERS STAY CURRENT. BE INNOVATIVE. BUILD YOUR REPUTATION.

Ask any of our Associate Members and they will tell you how they benefit from AWMAC's membership. They not only stay ahead of the curve, they also gain access to manufacturers and manufacturers' customers.

An Associate Member is a person, partnership or corporation that provides materials and/or services for the manufacturing of architectural woodwork. Associate Members are aligned with AWMAC's quality assurance programs and promote compliance to **AWMAC'S STANDARDS**.

Our Associate Members gain recognition as industry leaders in front of the best customers. Associate Members can also become AWMAC Partners.
