MEMBERSHIP HISTORY

Company currently holds membership in the following AWMAC Chapter(s).

PRINCIPAL CONFIRMATIONS

- The company shall be committed to promoting and adhering to the bylaws, rules, standards, policies and codes of the Association.
- The company shall ensure that if AWMAC's Standards are referenced in a project's specifications, that they shall be met.
- The company shall be committed to participating in the Association's events, initiatives and administration to promote and strengthen the Association and industry.
- We consent to having our email address added to the AWMAC Saskatchewan Chapter mailing list.

ANNUAL REQUIREMENTS

The applicant agrees each year to:

- Issue payment of all AWMAC invoices within sixty (60) days of the date of invoice
- Confirm the representative on record
- Notify the Chapter office of any amendments to the company contact information

STATEMENTS

AWMAC maintains the right to re-designate any member's category of membership if their circumstances change and/or they do not continue to meet the requirements within the membership application, association bylaws and/or policies.

Members cannot become a member in more than one membership category at the same time.

All information provided within the application will be kept confidential. AWMAC will not disclose personal information to a third party without consent, unless required or authorized to do so by law or other regulation.
