*Honouring the finest in quality and service in the  
architectural woodwork industry*

# INSIDE THIS EDITION

FROM THE EXECUTIVE DIRECTOR

I recently discovered that the first Awards night for the MMABC (Millwork Manufacturers Association of BC, as it was known in the day) was held November 30, 1990 at the now defunct Engineers Club on West Pender. That night there were 75 people and 8 awards presented. Well.....I'm proud to say that we've come a long way in 22 years. Congratulations to our manufacturer members who collectively submitted 51 projects this year, emphasizing outstanding quality and exceptional service. Thank you to our sponsors, without your contributions this event would not be possible.

Moira

FROM THE PRESIDENT

Yet again, the AWMAC BC Awards of Excellence did not disappoint, with a strong showing from some 49 member firms in attendance. Looking back it was quite wonderful to see the amazing body of work our members collectively produced this past year. Regardless of who won what, the sheer volume of quality work is a testament to the company we all keep.
