23rd ANNUAL AWARDS OF EXCELLENCE EDITION

FALL 2013

Poultry in Motion? Yes, at the 23rd annual AWMAC BC Awards of Excellence we did the Chicken Dance with Martin Berryman, our MC. And I think, besides loosening up the 300 attendees, we got to experience firsthand, for just a few minutes, the chaos that ensues when trying to meet a deadline. We were experiencing this while surrounded by an amazing body of work from our membership. Thanks again to our sponsors for making this experience and this event possible.

Moira Rowan

What does being an AWMAC member really mean? It means quality products manufactured to the Architectural Woodwork Standards, while under the pressure of meeting schedules, emphasizing service and innovation.....ultimately bringing the design team's vision to reality. Thank you to the member companies that submitted projects and congratulations to all the winners.
