MOIRA ROWAN, Executive Director
AWMAC BC Chapter | 604-298 3555
info.bc@awmac.com | <http://bc.awmac.com>

An event of this stature requires a huge team effort spread over many months. It is the sum of so many, many details. That being said, the AWMAC BC Annual Awards of Excellence could never be the amazing occasion that it is without the substantial support of our sponsors. I thank them for their generosity and willingness to be ongoing champions of the Awards Gala.

Moira Rowan | AWMAC BC Executive Director

I would like to offer my heartfelt congratulations to all the 2015 winners. You should be patting yourselves on the back for triumphing in a very tough arena. If we look back at what we've collectively achieved over the last 25 years of celebrating excellence, it is clear to me that we owe a special thanks to our long standing Executive Director Moira Rowan and her incredible team: Glenda Harskamp, Lezelle Bredenkamp and Mari Tierney. I'm sure AWMAC BC members will continue to raise the bar and I look forward to seeing the results of this at our 2016 Awards.

Martin Berryman | AWMAC BC President

VIONARO DRAWER SYSTEM

Less is More.

Slender. Sleek. Modern.

reddot award 2014
winner

G*GRASS®

The Vionaro Drawer Design makes a stunning impression with its sleek, seamless drawer sides. The simplicity of being able to use Vionaro steel drawers and wood drawers on the proven Dynapro undermount slide, streamlines inventory and production. Furthermore, a sturdy front connection of the Vionaro allows front heights of up to 780 mm without railing systems. The stepless side, height and tilt adjustments integrated into the drawer sides, enables the fronts to be perfectly aligned. Beautiful and efficient, we invite you to enhance the furniture in your home or office space with Vionaro.

SUSTAINABLE ARCHITECTURAL WOODWORK

SUSTAINABLE ARCHITECTURAL WOODWORK (SAW)

SAW is a program that ensures your project is manufactured by a company that is committed to reducing emissions, waste and energy consumption. Through a third party accreditation process manufacturers are **SAW** Company Certified using recognized sustainable criteria, policies and procedures.

SPECIFY SAW CERTIFIED COMPANIES

SAW makes it easy to ensure you get architectural woodwork that has been manufactured in a sustainable way. Specify **SAW** or choose a **SAW** Certified Company for your next architectural woodwork project.

E.ROKO
DISTRIBUTORS

WHOLESALE TO THE CABINET & MILLWORK INDUSTRY

E.Roko Distributors has been a supplier to commercial and residential cabinet makers, millworkers and furniture manufacturers for over 37 years in British Columbia, Alberta and Washington State.

We support all our products and services and look forward to becoming your "Supplier of Choice".

Some of the products we proudly distribute include:

We would like to thank all the AWMAC manufacturer members for their support over the years and enabling us to become the "Supplier of the Year" in 2013 and now in 2015. This achievement would not be possible without the partnership of our many great vendors and all the hard work from every E.Roko employee.

AWARDS

180**fx**[®] by FORMICA GROUP

FINALLY A LAMINATE AS LARGE AS LIFE

FORMICA[®] FOREVER 100 YEARS

The idea behind this award is to recognize innovative programs, policies, tools or projects that assist in reducing workplace injuries.

By celebrating success and spreading the word, one company's solution can become an entire industry's solution; thereby reducing the risk of injury to a greater number of workers.

Congratulations

Beckville Woodcrafts Ltd.
on winning the 2015
AWMAC WorkSafeBC
Safety Innovation Award.

Thank you for your dedication
to safety and innovation and for
helping reduce the risk of injury
for your employees.

For resources to help you create a safe workplace,
visit worksafebc.com/woodworking.
