**Exhibiting at AWMAC 2026 is more than

## Exhibitor Registration & Access:

Exhibitors are invited to participate in the Friday Convention program, with exhibitor booths remaining in place to allow conversations initiated during the Welcome Reception & Expo to continue naturally as the event progresses — allowing natural interaction with delegates during scheduled networking breaks and shared meals, and creating more meaningful engagement than traditional exhibit hall traffic alone.

Each exhibitor booth includes one (1) exhibitor registration, providing participation in the Welcome Reception & Expo, as well as Friday Convention learning sessions and opportunities to connect with delegates during scheduled networking breaks adjacent to the exhibit area.

Additional exhibitor representatives or guests may attend ticketed social events, including the Welcome Reception and President's Night, by purchasing the applicable event tickets.

## Exhibitor Registration Rates

**AWMAC Member Rate: \$1,650**
